PLOTS BENEFITS

RANGE : PT2 / PT6

The Plot ranges exits in 2 different sizes to equip all types of extinguishers.

STYLE : SOBERTY

PT2 / PT6 Plots are considered as supports for a fire extinguisher.

Type 6L/6Kg - 9L/9Kg - 2L/2Kg.

Subdued and discrete, they blend with simplicity in any environment.

5 Standard Colors + customisation thanks to the

+180 RAL colors available to order.

SECURITY : PROTECTION OF THE EXTINGUISHER

The 5mm thick steel of the case guarantees the safety of the fire extinguisher.

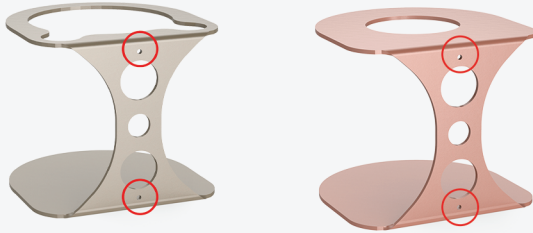

The case protects the extinguisher from :

- > Deliberate damage (vandalism)
- > Unintentional damage (shocks)

Allowing to offer a much better guarantee that the extinguisher is functional.

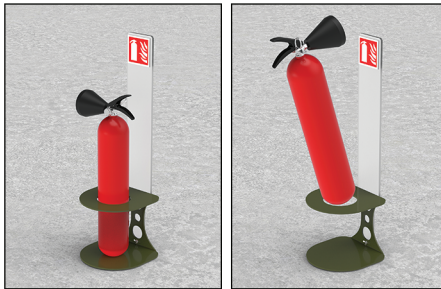

PLOTS BENEFITS

WALL FIXATION :

There are two holes on the back of the Plot that allow you to fix it freely to the wall.
(screws not included).

ACCESSIBILITY : OPENING SYSTEM

No special handling required:
Simply lift the extinguisher out of the stand.

EXTINGUISHER TOTEM SIGN (OPTIONAL):

The Totem signage is an ideal solution to avoid placing a sign on a wall or glass surface. It is fixed directly to the back of the stand (screws included). The Totem is an essential accessory to meet the obligation of warning the presence of the fire extinguisher without damaging your walls.
